FedEx has discovered that delivery routes defined with no left turns are safer and quicker than other routes. Always wanting to be on the forefront of auto safety, we have defined a scenic rally route from Plano to Princeton with no instructed left turns. We have also devised some tests that you can try along the route to keep from getting bored. Join us!

Your experience determines the class declared (First Timer, Novice, General or Master). Minor children (under 18) must have a signed SCCA release from both parents.

Entry fee: \$20 for SCCA members and \$30 for non-members if preregistered • \$5 late fee if not preregistered
